

# Index by Topic 2022

## EDITORIALS

Strengthened in Adversity .....	1
Trauma in Argentina .....	141
Authors and Reviewers. Two Sides of the Same Coin .....	303
The path is our goal .....	460
30 years of the Argentine Association of Shoulder and Elbow Surgery .....	461
30 years of a successful path .....	463
Starting over. Will it be the same as before? .....	615
Dr. Luis Muscolo, member of the National Academy of Medicine .....	744

## POSTGRADUATE ORTHOPEDIC INSTRUCTION - IMAGING

Alveolar rhabdomyosarcoma .....	3 and 131
C5-C6 fracture-dislocation .....	142 and 299
Osteosarcoma .....	305 and 454
Intraosseous lipoma .....	464 and 605
Vastus medialis obliquus agenesis .....	616 and 737
Persistent median artery thrombosis .....	745 and 858

## TUMORS

Chondroblastoma of the Talus. Case report and literature .....	64
Limb and trunk lipoblastoma: local recurrence and complications after marginal resection. A multicenter study .....	349
Phosphaturic Mesenchymal Tumor of the Pelvis: A Multidisciplinary Approach .....	360
Extraskeletal Osteosarcoma. Case Report .....	371

Resection of Spinal Osteoid Osteoma Assisted by 3D Planning. Case Report .....	378
---	-----

Aggressive Aneurysmal Bone Cyst of the Spine. Case report and Literature Review .....	804
--	-----

Capillary Hemangioma in the Hallux: Case Report .....	819
--	-----

## SPINE

Multiple Vertebral Fractures .....	51
------------------------------------	----

Radiographic Analysis of the Spinopelvic Parameters Obtained With an Anterior TLIF Device. Multicenter Study .....	748
--	-----

Prevention, Management, and Monitoring of Vertebral Artery Injuries. Current State of Knowledge of Spine Surgeons in Argentina .....	85
--	----

Experimental Hypothermia Murine Model for Spinal Cord Injury Studies .....	89
---	----

Expression of Cold-Inducible Proteins in Rat Spinal Cord Subjected to Systemic Hypothermia .....	393
---	-----

Scores V .....	851
----------------	-----

## PEDIATRIC ORTHOPEDICS

Closed Reduction and Percutaneous Pinning Versus Dorsal-Entry Elastic Intramedullary Nailing .....	341
--	-----

Transient Synovitis of the Hip in a Pediatric Patient as an Atypical Initial Manifestation of COVID-19 .....	387
---	-----

Treatment of Neuromuscular Scoliosis in Young Children With Severe Spastic Cerebral Palsy: A Systematic Review of the Literature .....	422
--	-----

Ryu and Debenham Type IV-A Proximal Tibia Epiphysiolysis. A Case Report .....	246
--	-----

Closed Reduction and Percutaneous Pinning Versus Dorsal-Entry Elastic Intramedullary Nailing .....	341
--	-----

Isolated Capitate Fracture Associated With a Traumatic Synovial Cyst: A Pediatric Case Report .....	814	Severe Apraxia due to Entrapment of the Radial Nerve in the Arm: "Lotem Syndrome". Case Report .....	534
Multimodal Perioperative Pharmacological Protocol in Pediatric Spine Surgery .....	825	Are Argentine Shoulder and Elbow Surgeons the Worst Treated in Ibero-America? Comparison of Fees and Level of Satisfaction Between Members of the Asociación Argentina de Cirugía de Hombro y Codo and Colleagues From Ibero-America .....	540
<b>UPPER LIMB</b>		Scores III .....	599
Anatomical Variants of Lister's Tubercle. Presentation of an Imaging Classification and Its Clinical Utility .....	34	Irreparable' Rotator Cuff Tears: Tips and Tricks to Achieve Arthroscopic Repair .....	559
Acromioclavicular Septic Arthritis by Staphylococcus argenteus. Case Report .....	71	Glenohumeral Bone Defects: A Review of the Diagnostic and Therapeutic Advances Over the Last 20 Years .....	570
Traumatic Injuries to the Hand From the Use of an Angle Grinder. A Problem in Our Field .....	197	Efficacy and Adaptability of Use of the Shoulder Pacemaker® Device During the Strengthening Phase of Shoulder Rehabilitation .....	593
Endosteal Strut Allograft Augmentation in the Osteosynthesis of Proximal Humerus Fractures .....	207	Adhesive Capsulitis of the Shoulder: Comparison Between Conservative Treatment Methods .....	781
Erosion of the Coracoid Process After Distal Clavicle Fracture Plate Fixation. An Unreported Complication .....	253	WALANT in Carpal Tunnel Release. Comparative Study of Two Technical Variants in 89 Cases .....	789
Carpal Tunnel With Local Anesthesia Versus WALANT ..	335	<b>LOWER LIMB</b>	
Complex Articular Fractures of the Distal Humerus. Recommendations to Optimize Outcomes and Reduce complications .....	259	Arthroscopic Findings in Maisonneuve Injuries .....	5
Belangero-Livani Technique (MIPO) in the Treatment of Humeral Shaft Fractures. A Latin American Experience in Three Medical Centers .....	476	Severe Talar Neck Fractures. Analysis of Treatment in 20 Cases .....	15
Scores II .....	447	Intertrochanteric Fractures in Elderly Adults: Analysis of Risk Factors Associated With Failure in Osteosynthesis With a Cephalomedullary Nail .....	41
Translation and Cross-cultural Adaptation of the Constant-Murley Score into Argentine Spanish .....	579	Avulsion of the Posterior Calcaneal Tuberosity (Beak Fracture): A Case Report .....	57
Influence of the Consolidation of the Tuberosities on the Clinical Outcomes of the Reverse Arthroplasty in Proximal Humerus Fractures .....	466	Late-Diagnosed Arterial Thrombosis Mimicking Complex Regional Pain Syndrome After TKR in a Patient With CREST Syndrome .....	79
Supratoral Biceps Tenodesis. Clinical Outcomes .....	488	Pseudoaneurysm of the Lateral Femoral Artery: A Systematic Review of a Rare Complication in Patients With Pertrochanteric Fractures .....	95
Reduction of Acute Anterior Inferior Glenohumeral Joint Dislocation in the Argentine Health Care System. A National Perspective.....	498	Epidemiology of Hip Fractures in Argentina. Anemia, Prolonged Hospitalization, and ASA Score as Predictive Factors of Morbidity and Mortality in the Analysis of 1000 Patients .....	111
Osteosynthesis of Complex Fractures of the Distal Humerus. Our Experience .....	517		
Olecranon Fracture. A New Therapeutic Alternative .....	526		
Nerve Transfers for Elbow Flexion in Traumatic Brachial Plexus Injuries .....	507		

Cerclage Wiring in Subtrochanteric Hip Fractures. Analysis of Benefits and Complications .....	143	Primary Total Hip Arthroplasty With Short Stems in Patients Under 20 Years of Age .....	636
Floating Hip: Comparative Analysis of Outcomes and Associated Injuries .....	152	Prevalence and Outcomes of Unexpected Positive Cultures in Presumed Aseptic Revision Total Hip Arthroplasty .....	645
Treatment of APCII Pelvic Fractures. Variables That Affect the Outcomes .....	165	Osteosynthesis in Vancouver type B1 and C Periprosthetic Hip Fractures of the Femur. A Multicenter Analysis .....	652
Comparative Study of Knee Function and Pain Between the Suprapatellar and Medial Parapatellar Approaches After Intramedullary Nailing of a Tibial Fracture .....	177	Is Tranexamic Acid Safe in Total Knee Replacement Surgery in Patients with Coronary Artery Disease? .....	660
Suprapatellar vs. Infrapatellar Intramedullary Nailing for the Treatment of Distal and Diaphyseal Tibial Fractures: Comparative Analysis and Surgical Technique .....	182	Knee Arthroplasty in Patients With Poliomyelitis and Extensor Mechanism Deficiency. Review and Experience in Nine Cases .....	667
Intramedullary Nailing of Tibial Fractures. Is There a Relationship Between the entry Point and Its Final Alignment? .....	188	Use of 3D Cups in Severe Acetabular Defects .....	676
Fractures of the Distal Femur Associated With a Complete Quadriceps Tendon Injury: Report of Two Cases .....	238	Instability Risk Factors in Total Hip Arthroplasty for Femoral Neck Fracture .....	685
Posteromedial Intergastrocnemius Approach to the Tibial Plateau. Description of the Surgical Technique .....	273	Total Hip Arthroplasty in a Patient with Paget's Disease. Case Report .....	693
Helical Plate Osteosynthesis in Distal Femur Fractures .....	285	Cementation of a Dual Mobility Cup in a Fixed Uncemented Cup for the Treatment of Recurrent Dislocation. Short-term Results .....	703
Sanders Type IIC Tongue-Type Fractures of the Calcaneus: Is Percutaneous Surgery the Treatment of Choice? Short-Term Functional and Radiographic Evaluation .....	307	Preoperative Patient Optimization Before Hip or Knee Arthroplasty: Part 1 .....	721
Clinical and Radiographic Analysis of the CEMENTFREE® Uncemented Hip Stem of National Manufacture. Short-Term Results .....	316	Total Hip Replacement in Patients With Previous Osteosynthesis .....	727
Comparison Between Computer Navigation Assisted Surgery and Conventional Surgery in Total Knee Replacement .....	325	Scores IV .....	731
Ultrasound to Prevent Sural Nerve Injury in Achilles Tendon Repair. A Cadaveric Study .....	404	Biomechanical Parameters of Foot Function Measured in the Office of a Specialist in Orthopedics and Traumatology .....	756
Plantar Fasciitis: Analysis of Therapeutic Options .....	413	Validation of the Spanish Version of the <i>Self-Administered Patient Satisfaction Scale</i> (SAPS) for Total Hip and Knee Arthroplasty .....	765
Diluted Povidone-Iodine Lavage in Total Hip and Knee Replacement: A Retrospective Comparative Study .....	619	Unicompartmental Knee Arthroplasty. Clinical-Radiographic Results and Analysis of Implant Survival .....	772
Next Generation Sequencing for the Detection of Pathogens in Hip Surgery: Experience and Diagnostic Feasibility in a Tertiary Care Center in Argentina .....	626	Patellar Resurfacing in Primary Total Knee Replacement: A Comparative Study at Two Years of Follow-up .....	798
		ROSA Robotic-Assisted Total Knee Replacement .....	838

**GENERAL TOPICS**

Use of Structural Allograft and Post-Surgical Infections .....	<b>23</b>
Practical Guide to 3D Printing and Planning in Orthopedics and Traumatology .....	<b>122</b>
Segmental Bone defects: Use of Custom-Designed Trabecular Titanium Implants .....	<b>219</b>
Scores I .....	<b>294</b>
Effects of the Pandemic on Orthopedics and Traumatology Staff From Its Beginning (March 2020) to the Post-Vaccination Stage (July 2021) What value can a survey have? .....	<b>433</b>

**SPORTS**

Acute Traumatic Avulsion of the Gluteus Medius Muscle in a Patient With no History of Hip Pain: A Case Report .....	<b>715</b>
---	------------

**OBITUARIES**

Dr. Héctor Esteban Patrucco (1928 -2021) .....	<b>140</b>
Dr. Zelman Simonovich (1932-2022) .....	<b>613</b>

**LETTERS TO THE EDITOR**

Ariel Sánchez .....	<b>614</b>
Daniel Moya, Herminio Olivieri, Juan Ignacio Crosa .....	<b>741</b>
